## Tips for Fishermen and Hunters

**E**NGAGE your Guide now. If you wait someone else will secure him.  
You can buy provisions at right prices in Yarmouth.

Bring along your auto, Yarmouth County has beautiful roads.

Yarmouth is only 13 to 16 hours from Boston, and you can be in one of the best fishing and hunting countries within an hour or two after arrival at Yarmouth.

Did you ever hunt wild cats with hounds? If you care for this kind of sport write JOSEPH PIETOR, Quinan; JUDSON GRAY, Kemptville; or GEO. BURRILL, North Kemptville.

The famous Tusket River affords the very best of trout fishing and an ideal trip you should make is to employ a guide with boat at Kemptville, and run the river down to Tusket. This trip should occupy about ten days.

Splendid deep sea fishing can be had within sight of Yarmouth Light. With the cool and bracing sea air you can spend many days at this kind of sport without tiring. All outfits can be secured at a small cost.

If you have Hay Fever it will leave you upon arrival at Yarmouth. Write J. BOND GRAY, Sec'y Tourist Committee, Yarmouth, for testimonials of those who have been relieved of this troublesome disease.
